### SUMMER PROGRAM

We just completed June and it was awesome. Still have July and August for more fun and activities throughout the summer.

Our kids come from **Hurst, Euless, Bedford, Grapevine, Colleyville, Keller, South Arlington** and even as far as **Mansfield**. A total of 17 different young people are signed up for some time during the summer and that number will grow as time goes on. For the month of June we averaged 10-11 young people everyday and a few days we had 12. Our facility is getting crowded.

We certainly are making new friends and enjoying each other through the various activities.

**Thank You** to St. Stephen's Church for their generous donations.
