AUGUST 2009 Newsletter

From the Director's Desk

Our summer program has been a lot of fun. There are 34 young people signed up for some time throughout the summer and 24 have already been here. Some are here for the entire months, some for certain weeks, others several days a week and then those that are drop-ins as needed. All the young people work well together and enjoy each other's strengths and even weaknesses.

Tori [Victoria] is an IB student from Bell High School and she has been with us all summer. It has been awesome for us and for her as well. Tori is a great role model!

It's not too early to be thinking about the Fall After-School Program. It will be here before we know it.

Call for an appointment/assessment.
