Dinner & A Movie Nite

We ended our summer program with an awesome Dinner & A Movie nite. We ate spaghetti until our tummies could eat no more. We all enjoyed the movie production – *“There’s No Place Like The Clubhouse.”* Our theme for this summer was “Movie Production.” The video is a product of learning about making a movie. Our young people learned a bit about movie terminology, editing the clips, voice over, dragging the clips into the frames and much more.

Thank you
to everyone that made
this event possible!

FALL PROGRAMS

The After-School program has begun and we’re looking forward to a great year.

We also kicked off a new program – Day Program. This new program is designed for 17-26 year old young people with mild to moderate challenges. The plan is to assess the young person’s interests/skills, provide community service, job training and possible placement, as well as a place for *education, socialization and independence in a recreational atmosphere.*

Spread the word to your friends.
